Appointment Selection

- To get started, click on the "appointment" option on our website.
- You'll see a window pop up with drop-down lists. From there, pick your preferred:
  - Clinic
  - Service
  - Doctor
- Once you've made your selections, just hit "complete data."

Appointment Date and Time Selection

- Next, you'll choose the date and time for your appointment. Just select what works best for you based on our available slots.
- When you're ready, click "continue."

Customer Form

Now, it's time to fill out your details in our customer form. We'll need:

- Your Name
- Email
- Phone Number
- Choose your toothbrush type (none, standard, premium) and quantity.
- Pick your toothpaste type (none, ABC paste, XYZ paste, or choose a new option) and quantity.
- Any additional notes you'd like to add.
- Select your payment method (cash or card).
- Lastly, just confirm that all the information you've entered is correct.

Confirmation and Reservation

- Once you've reviewed everything and confirmed, go ahead and submit the form.

- You'll receive a confirmation message with all the details of your reservation, including your appointment and your personal information.
