Overview:

In the "Clinics Setup" module, users can effortlessly create and manage clinics by providing essential information such as name, address, city, state, postal code, and contact details. The option to activate or deactivate a clinic ensures flexible management.

The screenshot displays the 'Add or Edit Clinics' interface in the SaleRise application. The interface is divided into a sidebar and a main content area. The sidebar on the left contains navigation links for 'Appointment', 'General', 'Clinic' (highlighted), 'Doctor', 'Service', 'Tags', 'Extras', 'Reservations', and 'Calendar'. The main content area is titled 'Appointment / Clinic' and features a 'Clinic' list on the left and an 'Add Clinic' form on the right. The 'Clinic' list shows four entries: 'We Care', 'We care 2.0', 'We Care (Queensland)', and 'We Care (Melbourne)', each with a red trash icon. The 'Add Clinic' form includes tabs for 'INFO' and 'CONTACT', with 'INFO' selected. The form fields are: 'Name *', 'Address Line 1', 'Address Line 2', 'City *', 'State *', and 'Postal Code *'. At the bottom, there is an 'Active' toggle switch.
