

# Reservations View

The "Reservations View" module provides users with a comprehensive view of both old and new reservations. Users can manage reservations by accepting, editing, canceling, viewing details, and even creating manual reservations when needed.

- Accept ,Edit, Create, or Cancel Reservations

# Accept ,Edit, Create, or Cancel Reservations

## Overview:

The "Reservations View" module provides users with a comprehensive view of both old and new reservations. Users can manage reservations by accepting, editing, canceling, viewing details, and even creating manual reservations when needed.

### 1. Access "Reservations View":

- Navigate to the "Reservations View" module to see an overview of all reservations.

### 2. View Reservation List:

- Access a list of both old and new reservations.

### 3. View Reservation Details:

- Click on a reservation to view detailed information.

- **Customer Details:** Name, contact information, and any other relevant details.
- **Reservation Items:** List of services or extras booked.

### 4. Edit Reservation:

- Edit reservation details if needed (e.g., change time or services).

The screenshot shows the 'Appointment / Reservations' page in the SoleRise system. The left sidebar contains navigation options: Sites, Services, Appointment (selected), General, Company, Technician, Service, Tags, Extras, Reservations, and Calendar. The main area displays a table of reservations with columns: Company, Technician, Name, Contact, Schedule, Status, and Action buttons. The 'Edit' button is highlighted with a red box and an arrow.

## 5. Accept Reservation:

- For pending appointments, users can click on the "Accept" button directly on the appointment list. This confirms the appointment.
- Users have the flexibility to modify the scheduled time and date for appointments they have accepted.

The screenshot shows the 'Appointment / Reservations' page in the SoleRise system. The left sidebar contains navigation options: Sites, Services, Appointment (selected), General, Company, Technician, Service, Tags, Extras, Reservations, and Calendar. The main area displays a table of reservations with columns: Company, Technician, Name, Contact, Schedule, Status, and Action buttons. The 'Accept Appointment' button is highlighted with a red box and an arrow.
