Payment Methods - Setup

5.1 Payment Methods - Setup Overview

In the "Payment Methods" section, users can configure payment options for their restaurant. Choose from Cash, PayPal, and Stripe, each with specific settings tailored to the selected method.

1. Access "Payment Methods":

- Navigate to the "Payment Methods" section to configure payment options.

2. Cash:

- **Active Checkbox:** Activate or deactivate Cash as a payment option.

The screenshot shows the 'Payments' configuration page in the SaleRise system. The left sidebar contains a menu with 'Payments' selected. The main content area has a header 'Food Ordering / Payments'. Below this, there are three expandable sections: 'Cash', 'Paypal', and 'Stripe'. The 'Cash' section is expanded, showing an 'Activate' section with a checked checkbox labeled 'Activate Cash'. A teal 'SUBMIT' button is located below the 'Cash' section.
