

# Service Hours

## 1.3 Service Hours Overview

In the "Service Hours" section, you can precisely define your restaurant's operating hours. Tailor the schedule for each day and add multiple time slots, ensuring an accurate representation of your service availability. This customizable feature allows you to create a dynamic timetable for takeout, delivery, and dine-in services, providing customers with real-time information on when your restaurant is open.

The screenshot shows the "Service Hours" configuration page in the SaleRise dashboard. The page is titled "Food Ordering / Restaurant Info" and features a sidebar with navigation options: Sites, Services, Food Ordering, Restaurant Info, Locations, Menu Items, Taxes, Payments, Active Orders, and Manage Orders. The main content area displays a table of service hours for each day of the week, with a "CANCEL" button and a "SAVE" button at the bottom.

Day	Status	Time Slots
