How to Add Subscribe Feature to Your Page?

Through this document , you will uncover the 'Subscribe' feature properties in site editor page through these key elements:

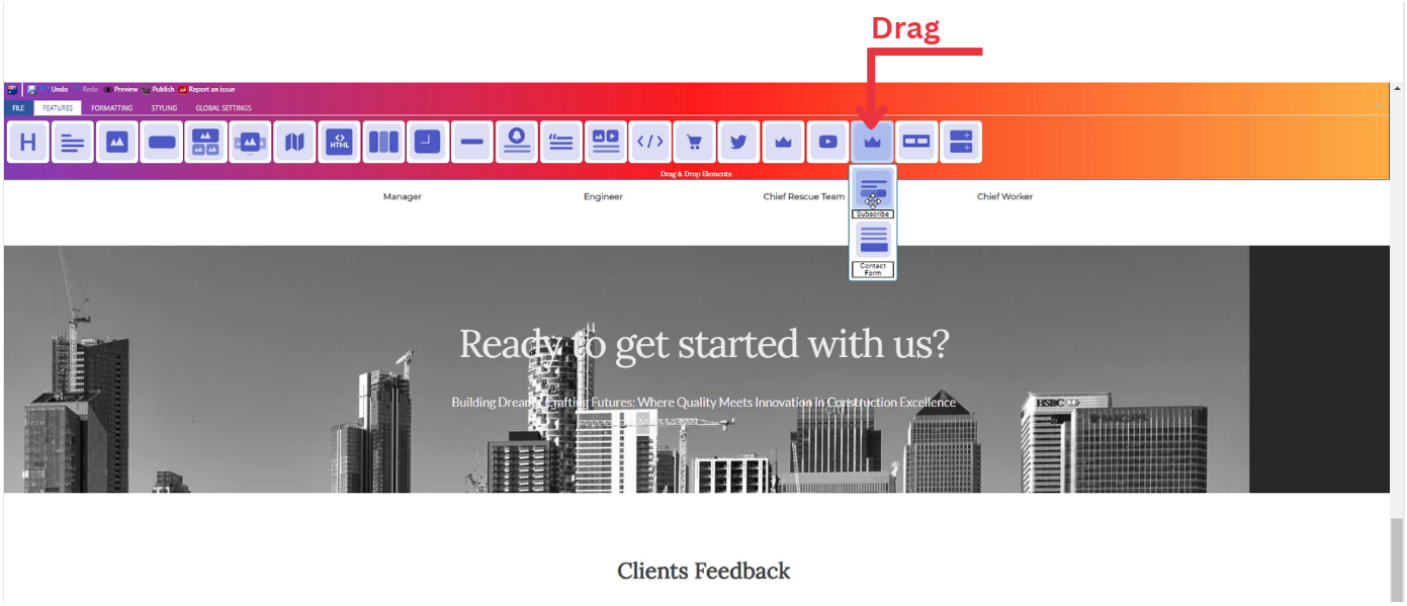

1. Adding Subscribe

2. Feature Settings Window

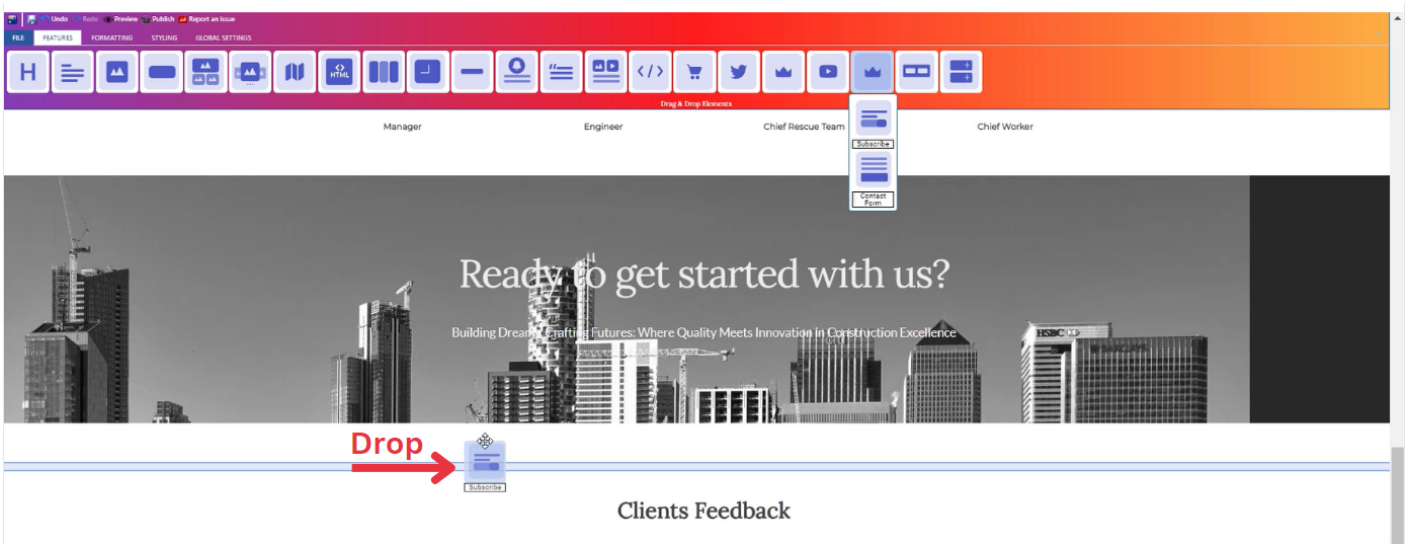

3. Style Settings Window

Adding Subscribe

- Drag the subscribe icon from the available features

- Drop the subscribe icon into the desired location on your website page

Feature Settings

Upon dropping the subscribe icon, a settings window will appear, offering three main features:

- **Records**
  - You will be able to see entries from dashboard which allows you to manage user subscriptions conveniently.

- **Settings**
  - Determine how your subscription box is visible on devices (Mobile , Tablet , Desktop , Large desktop).

- **Animations**
  - Add animation to your subscription box from a long list of animation options.
  - Enhance your animated subscription box by incorporating timing in seconds.

Style Settings

Design Features

- Access the "Design" feature to customize your subscription box appearance. Within this feature, you can determine the following properties:
  - **Margin**: Set the spacing around your subscription box to control its placement on the page.
  - **Border**: Define a border for your subscription box to add a distinct visual element.
  - **Color**: Choose the color that best complements your website's theme or design.
  - **Style**: Apply different styles to your subscription box, enhancing its visual appeal.

- **Gradient**: Add gradient effects to your subscription box for a more dynamic and modern look.

Background Features

- Navigate to the "Background" feature to enhance the backdrop of your subscription box.

  - **Upload Images**: Insert images as a background for your subscription box, providing visual interest.
  - **Sample Images**: Explore pre-loaded image samples for quick and easy background selection.
  - **Background Styling**: Customize the subscription box background further with options like:
    - Background Repeat: Control how the background image repeats.
    - Background Fill: Adjust how the background fills the space around the subscription box.
    - Background Position: Define the positioning of the background image for optimal display.

Style Customization

- Within the "Style" section, further refine your subscription box presentation by adding classes from a dropdown list with a plethora of options.
- Determine how your subscription box are visible on devices (Mobile , Tablet , Desktop , Large desktop).
